

MEMORANDUM

JANUARY 25, 2020

Reference: Customer Update on Corona Virus

Dear Valued Customer,

We would like to inform you that to the best of our knowledge, there is currently no impact to the Agile Microwave Technology Inc. supply chain due to the Corona virus outbreak. Agile Microwave Technology Inc has no factories or contract manufacturers affected by the Corona Virus situation. So far, virtually our entire supply base appears to be intact and not impacted. Agile Microwave Technology Inc realizes this could change, and we are staying in constant contact with our supply base to monitor our vendors.

We are continuing to monitor this closely and will inform you immediately, if the situation changes.

However, as it is unclear how the situation will develop, we would recommend that you plan ahead and make sure that you have sufficient safety stock in place.

Best regard
